Professional Chemicals supplier in China!

COMPANY INTRODUCTION

◆ Company Main Business Field:

Shenyang Viadd Chemical Co.,Ltd. is one professional chemical products producer, supplier, marketing and exporter In China that focus on chemical industry for 11 years.

We got six products filed:

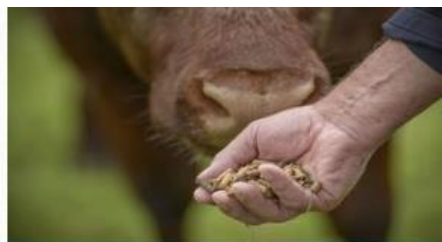

1. Food Additives (sweener, sugars, acidity regulator, stabilizers, flavors, flavoring enhancer, antioxidants, preservatives, etc)
2. Feed Additives (feed grade amino acids, vitamins, feed grade phosphates, animal nutrition glycinates etc)
3. Nutritional Supplement (Amino acids & Derivative, vitamins, nutraceuticals, botanical extract and minerals etc)
4. Agrochemical Fertilizers (Phosphate, nitrogen, potassium, magnesium fertilizers, water soluble, control release fertilizers)
5. Industrial Chemicals (Activated carbon, sodium bicarbonate, sodium carbonate, PLA, silicon dioxide, ammonium chloride, etc)
6. Phosphates (Food grade, feed grade, industrial grade and fertilizer grade phosphates, MKP, SHMP, MAP, TKPP, MCP, DAP, DCP, DSP, DKP, MSP, SAPP, STPP etc)

"Professional, Dedicated, Team, Service, we will be your stable supporter for your chemical products procurement in China!"

Food Ingredients

Glycine, Aspartame, CMC, Sucralose, Potassium Sorbate, Sodium Alginate, Xanthan Gum, GDL, Citric Acid, L-Threonine, L-Lysine, Sorbic Acid, Sodium Saccharin, Stevioside, Sodium Benzoate, Acesulfame K

Feed Additives

Amino Acids, Vitamins, Phosphate (Feed Grade) etc. L-Lysine HCL, L-Threonine, L-Cystine, DL-Methionine, L-Valine, L-Tryptophane, L-Methionine, Tricalcium Phosphate, Dicalcium Phosphate, Soy Lecithin, etc

Nutritional Supplements

Amino Acids, Vitamins, Plant Extracts, Vitamin A/B1/B2/B3/B5/B6/B9/B12, Vitamin C, Vitamin E, Vitamin H, L-Lysine, L-Phenylalanine, L-Aspartic Acid, L-Malic Acid

Agrochemical Fertilizers

Ammonium Chloride, Monopotassium Phosphate (MKP), Monoammonium Phosphate (MAP), Diammonium Phosphate (DAP), Urea Phosphate (UP)

Industrial chemicals

Poly lactic Acid (PLA), Activated Carbon, Zinc Oxide, Titanium Dioxide, Silicon Dioxide, Sodium Bicarbonate, Sodium Carbonate, Ammonium Chloride, etc

Phosphates

MSP, TSP, SHMP, TKPP, DAP, MCP, TCP, TSP, MAP, MKP, DKP, STPP, etc Food grade, feed grade, fertilizer grade and industrial grade phosphates.

◆ Professional, personalized service:

Shenyang Viadd Chemical Co.,Ltd. has a strong domestic product procurement channels in China for several years with a number of large and medium-sized manufacturing enterprises as partners, many factories designated us as the sole export agent in China.

The company has high-quality international trade export sales team and strict norms of after-sales service system. The company also has advanced product market analysis research system to better understand the domestic and

international product prices, market distribution, customer base and other information.

We guarantee that every order has a professional sales to keep in touch with you, including some details (sample testing, packaging lining, packaging, trays, labels, production cycle, delivery, inspection process, customs progress, packing photos, Ship notification, payment process, sailing voyage, arrival notification, post-arrival quality inspection, customer satisfaction feedback, etc.) until each order is successfully completed!

In order to better cooperation, we launched a regular update product prices, recommend new products and services system. we share the overview of the domestic product factory production, market analysis in China, the trend of domestic product prices, the reasons for price fluctuations, as well as new uses of customer products, downstream product market trends and other important business information. We believe that only truly share information with customers, to reach the goal of development and growth can truly do every business!

◆ Location, main products, certification:

The company is headquartered in Shenyang City, Liaoning Province, near the Chinese capital of Beijing in the west, near the Hebei Province in the south, Shandong Province in the east, and Russia in the north. The company has strict product quality testing mechanism and cooperation with domestic and foreign authoritative testing agencies, all factory products have been third-party quality testing to ensure that all high-quality export products of high quality, because of this, the company has also been the same trust of foreign customers !

Related certifications include ISO9001, ISO14001, ISO22000, HACCP, KOSHER, HALAL, GMP, FAMI-QS, BRC, FDA, REACH, NON-GMO, FORM E, CO, HEALTHY CERTIFICATE and so on.

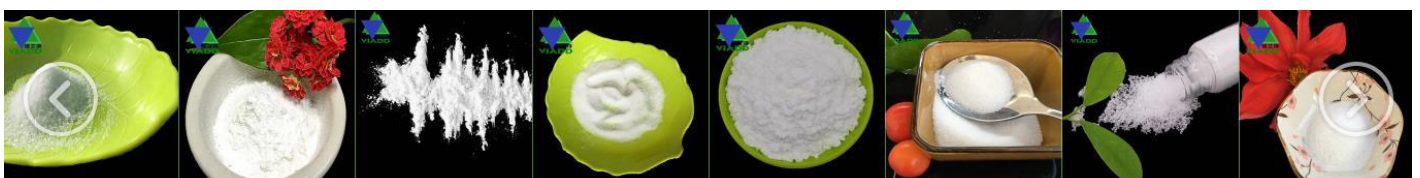

Our main products are: Glycine, Food Grade Glycine, Industrial Grade Glycine, Feed Grade Glycine, Pharmaceutical Grade Glycine, Xanthan Gum, Stevia, Saccharin Sodium, Acesulfame, Neotame, Aspartame, Sodium Alginate, Methyl vanillin, potassium sorbate, sodium benzoate, citrate, lactate, potassium dihydrogen phosphate, sodium hexametaphosphate, sodium dihydrogen phosphate, sodium tripolyphosphate, calcium phosphate, potassium dihydrogen phosphate, Black, baking soda, soda ash and so on.

◆ Exporting Countries, Warehouse Distribution, Packaging Details:

The company perennial cooperation with the major domestic manufacturing enterprises, all products exported to foreign countries, has exported more than 20 countries, including Japan, South Korea, Vietnam, Thailand, India, Germany, France, Italy, Spain, Poland, the Netherlands, Britain, Switzerland, Australia, Indonesia, Malaysia, the United States, Canada, Brazil, Peru, South Africa and other countries.

Companies in Shenyang, Tianjin, Shanghai, Zhejiang, Guangzhou has a product storage warehouse, so that exports can ensure timely delivery.

Major export ports include Tianjin, Shanghai, Qingdao, Dalian, Guangzhou, Shenzhen and so on. My company on the product not only requires quality, pay more attention to product packaging, lined bags and packaging bags, cardboard drums, cartons, pallets, labels and other orders are strictly in line with the factory, VIADD Violet trademark has been registered, Gradually penetrate the brand to foreign markets and foreign customers by the praise and trust!

◆ **Company Planning, three major areas, the development prospects:**

With the development and expansion of the company, the business scope of the company will gradually expand. In 2018, the construction materials (tinplate, galvanized steel plate, coated steel plate, plastic pipe, PE, PPR, PEX and PVC pipe) and environmental protection equipment (Filter press, diaphragm filter press, belt filter press, vacuum drum machine, FRP Tank and some other sewage treatment equipment) two industries. By then, chemical products, building materials and environmental protection products will be developed in parallel to each other. We use continuous efforts, enterprising attitude, innovative ideas continue to cast the development trend of the company, is willing to work closely with the major domestic related products companies for a better future!

◆ **Development concept:**

Find chemical products, find VIADD, your first chemical product supply base in China, your easy purchase supporter!

Workshop and Warehouse of Viadd Chem

Why Choose Us?

1. Viadd Chemical Company has strong export strength

- 1) We have professional international export sales employees with more than 10 years working experience
- 2) We have professional knowledge in chemical field around 20 years
- 3) We already exported to Thailand, Vietnam, Japan, Korea, India, Spain, Netherland, Germany, Russia, etc

2. Viadd Chemical Company purchases from big and reliable Chinese local factories directly

- 4) We arrange our purchasers to make investigation before cooperation with local factories
- 5) We choose the best factory as our supplier from lots of Chinese companies, which will save your time

3. Viadd Chemical Company has strictly quality control system

- 1) We test factory samples by the third party before exported to our clients
- 2) We are sure that the bulk goods the same quality with the sample we mailed to you
- 3) We keep quality satisfaction tracking from our overseas clients after goods use

4. Viadd Chemical Company Supports many aspects that you maybe worried

- 1) We distribute many types of chemicals of food&feed additives, nutritional supplements, amino acids, agrochemicals products, water treatment chemicals, phosphates etc, you can find the products you need
- 2) We support small quantity order even 1kg
- 3) We support mixture container loading with different types goods
- 4) We support our clients with T/T L/C D/P D/A payment methods

5. Viadd Chemical Company shares information

- 4) We would like to share commercial & market information with our clients for better cooperation
- 5) We can accompany with our clients for Chinese factory visit
- 6) We would like to discuss business with our clients on proper time for detail analysis

FAQ

Q1: Can I get some samples?

A: Yes, we can supply the free sample, but the shipping cost be paid by our customers.

Q2: How to start orders ?

A: Proforma invoice will be sent first after confirmation of order, enclosed our bank information.

Q3: Payment method?

A: T/T, D/P, L/C, D/A

Q4: How to confirm the Product Quality before placing orders?

A: Free samples can be sent to you for testing and confirmaton quality

B: Production according to your specification

Q5:What's your MOQ?

A:MOQ is 1kg.

Q6:Is there a discount?

A:Different quantity has different discount.

Q7: How do you treat quality complaint?

A:First of all, our quality control will reduce the quality problem to near zero. If there is a real quality problem caused by us, we will send you free goods for replacement or refund your loss.

Q8: How long will it take for the delivery of Bulk L-Arginine?

A: When the order and payment is confirmed, quantity of sample is within 100 Kgs and sent by express or by air ,you'll receive it within 10 Days.

For bulk quantity which is more than 1000 Kgs or 1000 Lts: it will take roughly 15 days to prepare the cargo and export permission for customs clearance.

South America: Around 40-60 days by sea

Southeast Asia: Around 30 days

Africa: Around 40 Days

Europe: Around 35 Days

Q9: How to contact us ?

A:You can chat with us by Whatsapp, Wechat,Skype ,Linked in,Online. You can choose your interested products and send inquiry to us.

B: You can send Email to us. sales@viaddchem.com

Our services

1. Any inquiries will be replied within 12 hours.
2. Dedication to quality, supply & service.
3. Strictly on selecting raw materials.
4. OEM/ODM Available.
5. Reasonable & competitive price, fast lead time.
6. Sample is available for your evaluation & Formulation development.
7. Faster delivery: Sample order in stock and 3-7 days for bulk production.
8. Viadd Chemical has strong cooperation with DHL, TNT, UPS, FEDEX, EMS. Or you also can choose your own shipping forwarder.
9. After-Sale Service:
 - 1)International Authorized Third-Party Test For The Products You Demand.
 - 2)60 Days Warranty of quality of goods.
